

TRACKING PROJECTS WITH

TRELLO

Presenter: Rachel Tillay

WHAT IS TRELLO?

*Trello is a Project Tracking
Tool*

Trello can help track complicated projects, reoccurring projects, and project with multiple contributors. Trello boards have helped track rescue and recovery efforts, personal growth goals, and professional team products.

SAMPLE TRELLO PROJECTS

RESEARCH PLANNING GROWTH

TRY IT!

- Create a board
- Create a team
- Add a team to a board
- Create a card (include a subject and verb)

Currently there are
Dozens of Power-ups & Integrations

Power-ups

Integrations

A photograph of a whale breaching the ocean surface, with its dark, textured back and tail visible above the water. The whale is moving from the bottom left towards the top right, creating a splash of white water. The background is a deep blue ocean under a clear sky. A large, semi-transparent blue circle is centered over the whale's back, serving as a backdrop for the text.
